Subj: Acton Express Detail donation

Daniel Viens, the Manager of Acton Express Detail has generously offered to donate his services to help keep our K-9 cruiser looking good. I value the offer at approximately \$300 and ask the Board of Selectmen to approve this donation.

The letter offering this service is attached to this memo.

Acton Police K9 Donation,
The Acton Express Detail would like to donate:

- [2] Complete Interior per year
- [2] Complete Exterior per year

We realize how much upkeep is needed for the K9 vehicle to stay in good condition, and we would like to help.

Thanks,
